All high school and youth officials **must** also become US Lacrosse "official-level" members in 2008 in order to be properly insured. Call USL at 410-235-6882 or visit www.uslacrosse.org for membership information. If you have one, **include your US Lacrosse member number on your GPLOA dues check.**

This is a quick-reference availability form to help the Assignors understand how they can use you at lacrosse games. GPLOA would like all its members to make more specific Availability notations in the ISOCS system using the Calendar Entry feature, where you may block out full days, half days or specific hourly periods. We intend to discuss and demonstrate the ISOCS Calendar Entry functionality at several of our first General Membership Meetings in 2008. Please provide any additional information that might help the Assignors understand your availability:
