PVYLL games will be played based upon NFHS Advancement Rules, and maybe subsequently modified, as noted below. In the event that the game is being played under a Mercy Rule situation, the trailing team may choose to waive enforcement of the mercy rule (based upon P.V.Y.L.L. rules). The rule will not be presumed waived unless specifically requested by the trailing team.

NFHS Rule 4-14:

- a) Upon gaining possession of the ball inside the defensive area, a team must advance the ball across mid-field within 20 seconds. Failure to do so will result in a turnover, and the ball will be awarded to the opposing team at the spot of violation or 20 yards laterally from the goal...

NFHS Rule 4-15:

- a) A team in possession of the ball must bring the ball into the attack area within 10 seconds of crossing the center line. Once a team advances the ball inside its attack area, the ball may be brought outside the attack area unless the team has been warned to “keep it in.” A new 10 second count is started when the offensive team takes the ball out of the attack area.
- b) In the last two minutes of the game, once the winning team brings the ball into their attack area, they must keep the ball “in the box”. Failure to do so will result in a turnover.

8) Mercy rule:

- d) With a face-off pending and simultaneous fouls, with equal total penalty time, committed there will be a face-off, not alternate possession.
